Network PA AP-EC10P
IP Network 10W Poe Ceiling Mount Speaker

AP-EC10P IP Network 10W Poe Ceiling Mount Speaker

Features :

- PoE powered IP network 6W Ceiling Mount Speaker
- Supports both IEEE 802.3af & IEEE 802.3at
- 6" full range Ceiling Speaker, Built-in class-D Amplifier
- High Speed ARM+DSP Processor
- Speaker can be set in several groups or zones
- Paging priority, Remote volume control
- Simultaneous broadcast of various music or pre-recorded messages
- Emergency input and output for third party system integration (optional)
- Redundant design Poe & DC12V power supply

APPLICATIONS

Commercial Building

School Campus

Transportation

Technical Specifications

Model No.	AP-EC10P
Rated power	6Watts RMS & Max. 10Watts(1KHz@-3dB)
Built-in amplifier	2x6W RMS & 10W
Power	DC-12V, POE 802.3af or POE 802.3at
Cutout size	Dia 165mm
Dimension	Dia 200 x 100mm (H)
SPL	92dB at 1W/1M
Network port	RJ-45(10/100Mbps)
Network protocol	TCP, UDP, IGMP, ARP, ICMP
Audio type	MP3, MP2
Audio bitrate	8kHz-48khz, 16bit, 8K-512Kbps
Frequency response	100Hz-18KHz($\pm$3dB)
THD	$\leq$1%
S/N ratio	$\geq$85dB
Working temp.	-30°C ~ 55°C
Installation	In Ceiling
Enclosure	ABS plastic, Metal grill, Back cover plastic
Color	White
Weight	<1.5Kg
