Vision Redefined

A Venture of ADIT GROUP

Network PA PA AP-EH15P
IP Network 15W Horn Speaker

AP-EH15P   IP Network 15W Horn Speaker

Features :

- PoE powered IP Network 15W Horn Speaker and max. supports 30W
- Supports both IEEE 802.3af & IEEE 802.3at
- Built-in Class-D Amplifier
- Speaker can be set in several groups or zones
- IP Speakers support over existing LAN/WAN/Internet System
- Paging priority, Remote volume control
- Simultaneous broadcast of various music or pre-recorded messages
- Emergency Input and Output for third party system integration (optional)
- Redundant design PoE & DC12V power supply
- Ideally for background music, paging system and voice alarm system

APPLICATIONS

Commercial Building

School Campus

Transportation

Technical Specifications

Model No.	AP-EH15P
Rated power	15Watts RMS & Max. 30Watts (1KHz@-3dB)
Built-in amplifier	Class-D
Power	DC-12V, POE 802.3af or POE 802.3at, 30W RMS at DC-12V
SPL	92dB at 1W/1M
Network port	RJ-45(10/100Mbps)
Network protocol	TCP, UDP, IGMP, ARP, ICMP
Audio type	MP3, MP2
Audio bitrate	8K-512Kbps
Frequency response	100Hz-18KHz(±3dB)
THD	≤1%
S/N ratio	≥85dB
Dimension	290(W) x 280(D) x 210(H)mm
Working temp.	-30°C~ 55°C
Installation	Wall/Pole Mount, U-shaped Bracket (Aluminum)
Enclosure	Aluminum, White Finish, Outdoor
Weight	<2.2Kg
